Executive Summary

Junior Software Developer with a Diploma in Full Stack Software Development from the Code Institute. Proficient in HTML, CSS, Javascript, Python. I have 20 years experience in Customer Service and Hospitality. Also 14 years experience in Personal Security Industry. From these experiences I have acquired strong communication skills, problem solving skills, developed both leadership and valuable team-player attributes. I am eager to enter the tech industry into an exciting development team where I can continue learning and contribute to the team.
